The screenshot shows the Grow Therapy search interface. At the top, there's a search bar and a filter bar with options: Therapists in Virginia, accepting Kaiser Permanente, Talk Therapy, Spanish, Specialties, Gender, Ages, Identities, and Availability. Below the filters, it says "Kaiser Permanente therapists in Virginia" and provides a brief description. Two therapist profiles are shown: Sherry Kirkpatrick (she/her) and Theo Carrillo (he/him). Each profile includes a photo, the Kaiser Permanente logo, "Grow choice" badge, LMFT credential, years of experience, and session options (Virtual/In-person). Sherry's bio mentions focusing on renewing, restoring, and reviving the most important person...you. Theo's bio mentions being open-minded, empowering, and solution-oriented. Both profiles have "Next available" dates and buttons for "View profile" and "Book session".
